Chapter 1 by ChemicallyInsane

She hated me that was the truth. Why? I didn't know she never really said. It made me angry, how stupid she was being. She didn't understand, she never will. That's why I close myself off the way I do. The day that somebody who understands me and my methods I will settle down. I now know that it will be a lot harder than it was when I was 15.

That was suspenseful correct?
